

THE ARTISAN LEADER
handcrafted leadership development

LEADING WITH *Presence*

(not perfection)

An engaging and interactive workshop series centered on nine core practices every leader needs for managing in today's workplace. Each skillset is presented individually through live, remote group training to allow participants to customize their training plan. Packages of 3 or more sessions include individual coaching to help participants integrate concepts into their leadership practice.

Designed for new managers needing to learn the fundamentals of leadership and practiced leaders wanting to refresh their knowledge base. All leaders are welcome. Class size limited to 15 participants.

Instructors:

Amanda Stanley, MS, ACC; Founder & CEO of The Artisan Leader
Kate Means, MA, Managing Consultant for Culture and Strategy
